SUMMARY

Active learner and hard worker who is interested in growing new skills to contribute more to the team. I am a fresh graduate of Bethel School of Technology with a Full-Stack Development degree in #React.js and #Java.

RELEVANT EXPERIENCE

CCOTH | Frontend Developer | June 2021 – Present | Huntington Beach, CA
- Led a small team of three developers to remodel church website using React.js, CSS, Firebase, Bootstrap, Java.
- Developed functionality to allow logged-in users to upload videos, post events to UI, update, and delete events.
- Used Firebase cloud to store images and MySQL to store data.

CrossWay FIS | Web Developer | February 2021 - May 2021 | Irvine, CA
- Collaborated with the CEO to manage updates to crossway website to include a get in touch form, and side pages
- I developed a website that basically shows clients what services the agency provides and a form to be in touch with.
- I remodeled a template of their choice of what the agency wanted their app to look like using HTML, CSS, JavaScript.

NJ Golden | IT Technician | October 2019 - July 2020 | Jersey City, NJ
- Responsible for all IT support. Troubleshoot issues using Unix commands.
- Managed customer records using Microsoft Access billing database.
- Reconciled $120,000 by discovering and identifying past-due payments.
- Collected feedback and collaborated with the development team to construct improvements.

United Nations | Official Delegate of the Arab Republic of Egypt | April 2019 - July 2019 | United Nations - New York, NY
- Headed by HE the Minister of Youth and Sports (Egypt) with members of the United Nations Major Group for Children and Youth and the Official youth delegates of Egypt at the Economic and Social Council's Youth Forum.
- Representative of the Arab Youth for Sustainable Developments 2019.
- Arab/North Africa Youth Representative.
- Contributed to the implementation of the United Nations SDGs Agenda for 2030 in the Middle East and North Africa.
- Collaborated as an Egyptian delegate to negotiate $2,000000 to support and start new activities for the youth in our region in collaboration with other European Youth ministries.
